### THE 4 KEY ACTIONS

- Manage your consumption
- Respect shared spaces
- Pick up after yourself
- Report any hazard or issue

#### HOW TO APPLY IT

Manage your consumption — know your limits. Pick up what you put down, leave spaces as you found them. If you see a hazard, report it.

#### WHY IT MATTERS

The shared space and the right to return. Your responsibility not to leave problems behind. A safe and clean environment for all.

#### WHEN TO APPLY IT

Throughout the night — not just when leaving. When using common spaces. Before you leave the venue.

### WHAT THIS CONCRETELY IMPLIES

- Respect property, equipment and shared spaces
- Refuse any form of abuse or ambiguous behavior
- Pick up your waste and care for your immediate environment
- Act clearly and responsibly, in the spirit of the place
- Return found objects and act with honesty

#### LEGAL FRAMEWORK

Organizers have a legal duty of care toward participants (Civil Code of Québec, art. 1457). Each participant is responsible for their own actions.
