

THIS IS WHO WE ARE.

MANTRA 09 · EXCELLENCE

Respect the tribe

« The tribe is not a backdrop: it is the living, collective work of the night. »

Living better together at night.

That's how we do it here.

THE 4 KEY ACTIONS

- **Observe and learn before judging**
- **Engage — not as a spectator**
- **Respect the codes and history of the tribe**
- **Show gratitude to those who make the night possible**

HOW TO APPLY IT

Observe and learn before judging. Engage honestly — not as a spectator. Respect the codes, history and values of the tribe.

WHY IT MATTERS

The integrity of the underground community. Your belonging to something that transcends the night. A space built on trust and mutual respect.

WHEN TO APPLY IT

When you arrive in a community that isn't yours. When the urge to defend yourself rises. Before commenting or criticizing someone.

WHAT THIS MEANS IN PRACTICE

- Recognize the invisible work behind the event
- Respect each person's roles, limits and responsibilities
- Avoid entitled or purely consumer behavior
- Show gratitude toward those who make the night possible
- Contribute positively to the atmosphere

⚡ LEGAL FRAMEWORK

Organizers have a legal duty of care toward participants (Civil Code of Québec, art. 1457). Each participant is responsible for their own actions.
